HOW WE CAN WORK TOGETHER

Four partnership models, *agreed individually.*

Each partnership is scoped in writing, to the size of your event and your priorities.

MODEL 01

Official concierge & travel partner

One desk for the whole event: arrival and departure logistics for delegations, judges, hosts and VIP guests; hotel coordination; transfers and cars on call; a single point of contact for your team.

MODEL 02

Delegation & family travel desk

A dedicated service your national directors and delegates' families can use to travel to the final: flights, hotels near the venue, transfers on the night and extensions afterwards.

MODEL 03

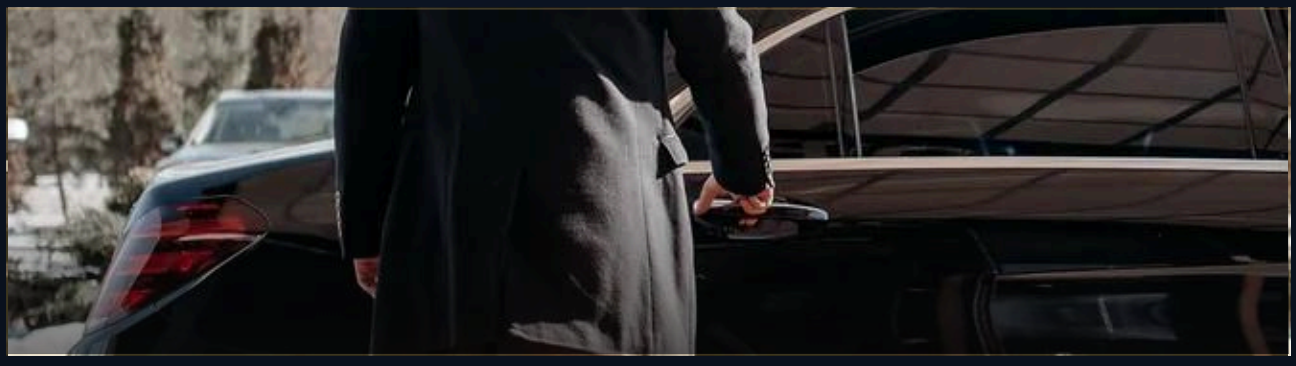

Sponsor & VIP hospitality

For your sponsors and their guests: suites, private aviation, dinners and experiences around the final, so their sponsorship is experienced as well as seen.

MODEL 04

Titleholder year

Travel and logistics for your titleholder throughout the reign: appearances, media days and travel across continents, planned and handled discreetly.
